Pawan Mandot (President) | **Sourabh Patawri** (Gen.Secretary)

To,

Subject: Request for support towards RAKTDAN KARTAVYAM 2026 (17th – 23rd September, 2026)

Respected Sir/Ma'am
Sadar Jai Jinendra! Warm Greetings from ABTYP!

Akhil Bhartiya Terapanth Yuvak Parishad (ABTYP), an organization renowned for its impactful societal initiatives, particularly in the healthcare sphere, extends its warmest felicitations.

ABTYP has consistently collaborated with the Government of India in executing large-scale public health initiatives. Our landmark campaigns, **Raktdan Amrit Mahotsav (2022)**, **Raktdan Amrit Smaranotsav (2023)** & **Raktdan Amrit Mahotsav 2.0 (2025)**, were successfully aligned with the Ministry of Health & Family Welfare's *Sewa Pakhwada*. The 2022 campaign was recognized by the World Book of Records, with over 6,149 blood donation camps organized globally and more than 2,50,000 units of blood collected within a single day. Registrations and certifications were efficiently managed in real-time through the Ministry's CoWIN platform and **e-Raktkosh portal**.

Continuing this noble mission, ABTYP is organizing the **Corporate Themed Blood Donation Week 2026** from **17th to 23rd September 2026** across the country. Through this initiative, we aim to **unite corporates, institutions and individuals in strengthening the nation's blood reserves and promoting a culture of social responsibility**.

Firstly, we wish to express **our gratitude for the support received from you in the past**. This collective effort has **enhanced the reach and effectiveness of our campaigns**. We seek **continued and extended support** from you to further amplify the global scope and impact of '**Raktdan Kartavyam 2026**'.

In light of the above, we reach out to you for your valuable support in the following ways:

- 1. Organize Blood Donation Camps at your corporate locations and premises on any convenient date of your choice between 17th – 23rd September, 2026 as a part of this event.**
- 2. Collaborate in motivating employees and citizens to come forward and donate blood.**

For further coordination, you may contact our local MBDD Convenor:

Mr./Ms. _____

Contact Number: _____

Your support is vital to the success of this life-saving initiative. We urge you to kindly confirm your participation and extend all necessary assistance in making the **MBDD 2026** a grand success.

Looking forward to your positive response.

Warm regards,
President/Secretary
Terapanth Yuvak Parishad _____

About Akhil Bhartiya Terapanth Yuvak Parishad

AKHIL BHARTIYA TERAPANTH YUVAK PARISHAD (ABTYP), under the divine guidance of our 11th Acharya, **Pujya Gurudev Acharya Shri Mahashraman Ji**, is a youth-led organization of the Jain Terapanth community with a nationwide presence through 350+ branches and a vast network of supporters across the globe. The organization has successfully implemented several social welfare initiatives and has earned widespread recognition for its large-scale blood donation campaigns. We also diagnostic centres, health clinics, eye donation awareness and several other humanitarian causes dedicated to community welfare.

Mega Blood Donation Drive – a Guinness World Record achievement

Among its many diverse public welfare initiatives, Akhil Bhartiya Terapanth Yuvak Parishad (ABTYP) specializes in organizing large-scale blood donation camps and drives. These remarkable efforts have earned the organization recognition in the Guinness World Records, as well as accolades from the Asia Book of Records and the India Book of Records. Such achievements have strengthened our commitment to expanding our outreach and building meaningful connections for humanitarian causes.

The timeline of our services towards the betterment of society are as follows:

YEAR	CAMPAIGN / DETAILS	UNITS COLLECTED	BRAND AMBASSADOR / COLLABORATION	RECOGNITION / ACHIEVEMENT
2012	MBDD Campaign	96,600 units	Sachin Tendulkar (BA)	Awards from many State Government.
2014	MBDD Campaign	100,212 units	Vivek Oberoi (BA)	Recognized as world's highest blood donation collection by Guinness World Record .
2016	366 days Continuous VBD Camps	40,000+ units	Various Sports and TV Personalities	Recognized as the World's Longest Blood Donation Drive.
2018	Zone wise single day blood donation camps	55,000+ units	Various NGO's	Invited as a member of National Blood Transfusion Council
2020	COVID Emergency Drive	55,000 blood, 2,100+ plasma units	COVID Recovered Donors	World's highest number of plasma collection by any NGO for COVID relief
2022	'Raktdan Amrit Mahotsav'	2.5Lakh+ units in a single day	Ministry of Health & Family Welfare (MoHFW) Government of India	Recorded in World Book of Records (World's largest blood donation drive)
2023	'Raktdan Amrit Smarnotsav'	3.7Lakh+ units in Sewa Pakhwada	500+ Corporates Connected	Recognized as an innovative first of its kind corporate blood donation campaign.
2024	NGO Meet & MBDD-RHYTHM	51000+ units	Ministry of Health (MoHFW)	Camps organized in different states every month.
2025	'Raktdan Amrit Mahotsav 2.0'	325,803 (Single day)	Ministry of Health (MoHFW), Ministry of Railways, Ministry of Education, Ministry of Youth and Sports Affairs	Historic step towards making India blood sufficient.

With the growing demand for blood due to increasing medical treatments, surgeries, trauma care and cancer therapies, ABTYP has remained committed to addressing this critical need through its continuous contribution to the **"Red Revolution"**. Our mission is to ensure a consistent, accessible and affordable blood supply, while continuing our journey of saving lives through dedicated humanitarian service.
