Ramesh Daga (President) | **Amit Nahata** (Gen.Secretary)

To,

Subject: **Requesting support in organizing camp in line with the World's Largest Blood Donation Drive on 17/09/2025**

Respected Sir/Ma'am,
Sadar Jai Jinendra! Warm Greetings from ABTYP!

Akhil Bhartiya Terapanth Yuvak Parishad (ABTYP), an organization renowned for its impactful societal initiatives, particularly in the healthcare sphere, extends its warmest felicitations.

ABTYP has a proven track record of collaborating with the Government of India in large-scale public health endeavours. Our prior campaigns, '[Raktdan Amrit Mahotsav](#)' in 2022 & '[Raktdan Amrit Smaranotsav](#)' in 2023, successfully aligned with the **Ministry of Health and Family Welfare's Sewa Pakhwada**. The 2022 event, recognized by the **World Book of Records**, saw over **6,149** blood donation camps organized globally, collecting over **250,000** units of blood within a single day, with registrations and certifications managed in real-time via the Ministry's CoWin platform and e-Raktkosh portal.

Building upon this legacy, we are pleased to announce '[Raktdan Amrit Mahotsav 2.0](#)' in collaboration with **Ministry of Health and Family Welfare** scheduled for September 17, 2025, which we envision as a **Manav Kalyan Diwas** dedicated to blood donation and heightened awareness. This event aligns with global efforts to address blood shortages and encourages active participation from young adults, who are a vital demographic for blood donation. In light of the above, we seek your support to further amplify the global scope and impact of '[Raktdan Amrit Mahotsav 2.0](#)' in the following ways:

We kindly request to host a blood donation camp in your premises on September 17, 2025. By organizing this camp, we can actively engage the youth and student community. Your institution can contribute significantly to this noble cause while demonstrating a commitment to social welfare and community engagement.

We are confident that, working together, we can make a significant contribution towards achieving universal healthcare access.

With warmest regards,
President/Secretary
Terapanth Yuvak Parishad _____

About Akhil Bhartiya Terapanth Yuvak Parishad

AKHIL BHARTIYA TERAPANTH YUVAK PARISHAD, under the divinity of our 11th Acharya PUJYA GURUDEV ACHARYA SHRI MAHASHRAMAN, is a youth led organization of the Jain-Terapanth Society, with a nationwide impact through 350+ branches and many supporters all over the world. Our organization has put into action several projects and gained much recognition for our large-scale blood donations.

With many National Level Projects and Activities, ABTYP focuses on benefiting society as our ambassadors and volunteers work on a variety of social welfare programs. We have a year-round action plan of community service in various parts across the country, with a focus on blood donation campaigns and diagnostic Centers, health clinics, and eye donations, among many other things for social causes.

MEGA BLOOD DONATION DRIVE

Among many diverse public initiatives, Akhil Bhartiya Terapanth Yuvak Parishad (ABTYP) specializes in large-scale BLOOD DONATION CAMPS AND DRIVES, earning a place in the Guinness Book of World alongside earning our organization, the Asia book of Records, and India Book of Records, which has encouraged and allowed us to save an uncountable number of lives and motivated us to reach out and form more connections.

The timeline of our services towards the betterment of society are as follows:

- **2012:** 96600 units collected in MBDD with our brand ambassador as Sachin Tendulkar.
- **2014:** 100212 units of blood were collected with our brand ambassador as Vivek Oberoi. Also got recognized as the world's highest unit of blood donations collected.
- **2016:** Organized non-stop blood donation camps and got recognized as the world's longest blood donation drive conducted.
- **2018:** Organized multiple Blood donation camps in various zones.
- **2020:** Collected 55000 units of blood during covid and 2000 plus plasma donations, recorded as the World's highest plasma collection from covid recovered donors.
- **2022:** 'Raktdan Amrit Mahotsav' in collaboration with MoHFW, collecting over 2.5L units of blood in a single day and holding camps in over 45 countries.
- **2023:** 'Raktdan Amrit Smarnotsav' one of its kind corporate campaign coordinating with over 500 corporates under Sewa pakhwada of Government of India.
- **2024:** MBDD-RHYTHM – holding camps in different states in each month of the calendar.

In the last 10 years, we collected more than 500000 units of blood which in turn saved a mass number of lives, while earning us special recognition from the Prime Minister, chief ministers, and union ministers. ABTYP was also able to garner attention from various Bollywood celebrities, authors, sportspersons, and bureaucrats for our philanthropic activities.

With more and more treatments accessible across the nation for various traumas, diseases, cancers, and surgical procedures, the demand exceeds the supply. Implementing to eradicate this dire need of the hour, ABTYP has worked tirelessly to contribute to the RED REVOLUTION, with the mission and intention are to save as many lives as possible by ensuring a consistent and cost-effective blood supply in India's least accessible places as we continue to work our way to the peak.
